

# MYRIDDIAN CAPABILITIES OVERVIEW: ENHANCING MEDICAL READINESS FOR THE ARMY NATIONAL GUARD (ARNG)

Myriddian provides comprehensive non-clinical case management and administrative care coordination staffing for medical, dental, and behavioral health services to support the Army National Guard's Individual Medical Readiness (IMR). Our expertise and skilled team of Licensed Social Workers (LCSW, LMSW), Behavioral Specialist, Case Managers (RN, LPNs) and Administrative Assistants help ARNG units maintain a medically deployable force, ensuring mission readiness and operational efficiency.

## Our Services:

- Medical Readiness Oversight: Managing temporary and permanent medical profiles to ensure Soldier deployability.
- Comprehensive Tracking: Monitoring duty-limiting conditions for accurate readiness assessments.
- Line of Duty Case Management: with thorough documentation and timely resolutions.
- Profile Management: Managing medical profiles monthly.
- Complex Case Handling: Overseeing detailed cases each month, involving extensive paperwork and board actions.
- PHA Coordination: Streamlining health assessments for timely Soldier health updates.
- SRP Support: Providing efficient administrative aid to enhance Soldier Readiness Processing.
- End-to-End Case Management: Comprehensive support for medical, dental, and behavioral health care coordination.

Myriddian, is a Physician owned and certified 8a EDWOSB firm, that specializes in health, data management, technology, and workforce development. Committed to excellence and innovation, we deliver high-quality, tailored solutions for diverse client needs.

## Why Choose Myriddian?

- Proven Expertise and Trusted ARNG partner: Strong track record and client references
- Comprehensive Support: Full-service, end-to-end case management.
- Efficiency & Compliance: Streamlined processes meeting military standards.
- Experienced Team: Adaptable and skilled professionals.
- Holistic Solutions: Enhancing readiness and operational success.
